

General Use:

Build a website that allows users to book car cleaning and includes details about the user and the company

Use Cases:

- Booking system, where user can select available times
- Hover/disappearing effects on bigger bodies of text
- Different width/height aspects for different screen sizes
- For rest of details refer to document

Serving Massachusetts Area

2. ABOUT / TRUST SECTION

Short section under hero.

Why VelocityX?

At VelocityX Auto Detailing, we focus on restoring vehicles with precision, care, and attention to detail. Whether it's a daily driver, work truck, SUV, or commercial vehicle, we deliver professional mobile detailing services designed to leave your vehicle feeling fully reset.

- ✓ Attention to Detail
- ✓ Reliable Communication
- ✓ Passion for Cars

- ✓ Convenient Mobile Service
- ✓ Satisfaction-Focused Results

3. BEFORE & AFTER SECTION

TITLE:

Real Results

Subtitle:

See the transformation for yourself.

This section should include:

Interior transformations
Carpet extraction photos
Exterior shine photos
Wheels before/after
Seat stain removal
Headlight restoration
Truck/commercial jobs

IMPORTANT:

Tell your designer:

Make this section BIG visually
Use sliders if possible
Keep photos high quality
Add short captions like:
“Heavy interior reset”
“Work truck transformation”
“Full interior extraction”

This section sells your business more than words.
